

Castor Kit Nylon 4-Pack

Article number: 2-248-0

Specification

Gross weight: 10 kg
Wheel diameter: 160 mm
Height: 200 mm
Quantity/package: 4
Load capacity: 1050 kg

Product information

Complement the tilting container with nylon wheels for easier movement of materials and waste. The wheel set consists of four wheels: two fixed and two lockable link wheels.

The nylon wheels are durable, can withstand high loads and leave no marks on the surface.
