

UPM Notes

5655-11UR-8
Recycled Notes

Product description:

Sheets 8 x 100
Dimensions 125 x 75
Color Pastel yellow
Service temp. +10°C / +30°C
Opt. storage cond. 20°C / 50% RH

Face material:

Material Uncoated matt, 100% recycled paper
Thickness 85 µm
Grammage 69 g/m²

Adhesive:

Description Ultra removable, acrylic, water based, sticky notes adhesive
Performance Solvent free, excellent resistance to UV-light and ageing, multiple use and repositioning, removable residue-free from almost all substrates

Packaging:

Material Recycled cardboard, 350 gsm

Order information:

Single EAN 4044355794586
Carton EAN 4044355794784
Packs per carton 12
Carton size 390 x 160 x 220 mm

Certificates:

FSC™ FSC™ C003094
Blue Angel Yes

UPM Notes are high-quality sticky notes made from FSC™-certified paper (FSC C003094) and a solvent-free, water-based adhesive with double the adhesive strength compared to standard sticky notes. The adhesive is designed to stick, reposition and remove from all main substrates without leaving any residues.

The UPM Notes Recycled are made from 100% recycled paper. We also renounce traditional fossil-based foil packaging. A cardboard box made of recycled material protects the sticky notes from dirt and damages instead.

The result is a product which is certified with the BLUE ANGEL, the oldest eco-label in the world. Smart use of raw materials, production, usage, service life and disposal – all these factors are assigned a high importance. It demands the adoption of 100% wastepaper to reduce the pressure on virgin feedstocks.

Recyclable sticky notes and packaging

Solvent-free adhesive with double the adhesion compared to standard sticky notes

100% recycled paper

Residue-free removal, even from sensitive surfaces
