

# UPM Notes

5654-96UR  
Recycled Notes

**Product description:**

**Sheets** 1 x 450  
**Dimensions** 75 x 75  
**Color** Color mix  
**Service temp.** +10°C / +30°C  
**Opt. storage cond.** 20°C / 50% RH

**Face material:**

**Material** Uncoated matt, 100% recycled paper  
**Thickness** 85 µm  
**Grammage** 65 g/m<sup>2</sup> / 69 g/m<sup>2</sup>

**Adhesive:**

**Description** Ultra removable, acrylic, water based, sticky notes adhesive  
**Performance** Solvent free, excellent resistance to UV-light and ageing, multiple use and repositioning, removable residue-free from almost all substrates

**Packaging:**

**Material** Recycled cardboard, 350 gsm

**Order information:**

**Single EAN** 4044355794647  
**Carton EAN** 4044355794845  
**Packs per carton** 12  
**Carton size** 245 x 165 x 130 mm

**Certificates:**

**FSC™** FSC™ C003094  
**Blue Angel** Yes

UPM Notes are high-quality sticky notes made from FSC™-certified paper (FSC C003094) and a solvent-free, water-based adhesive with double the adhesive strength compared to standard sticky notes. The adhesive is designed to stick, reposition and remove from all main substrates without leaving any residues.

The UPM Notes Recycled are made from 100% recycled paper. We also renounce traditional fossil-based foil packaging. A cardboard box made of recycled material protects the sticky notes from dirt and damages instead.

The result is a product which is certified with the BLUE ANGEL, the oldest eco-label in the world. Smart use of raw materials, production, usage, service life and disposal – all these factors are assigned a high importance. It demands the adoption of 100% wastepaper to reduce the pressure on virgin feedstocks.

Recyclable sticky notes and packaging

100% recycled paper

Solvent-free adhesive with double the adhesion compared to standard sticky notes

Residue-free removal, even from sensitive surfaces
