

Tork PeakServe Automatic Hand Towel Dispenser Black

552509

Description

Tork PeakServe Automatic dispenser is the latest innovation designed for high-traffic washrooms where staff need to maximise cleaning time and maintain a good flow of people. It offers the longest battery lifetime* and dispenses in less than a second, time after time. Compatible with Tork PeakServe® Continuous™ Hand Towels, the system has a very high capacity of 1,230 towels. The compressed refills are fast to load, can be topped up at any time and are easy to store and transport, enabling staff to focus on cleaning, not refilling.

*Compared to the Kimberly-Clark Icon and Kimberly-Clark Professional Electronic Rolled Hand Towel Dispenser 9960 which dispense 150,000 towels and the Katrin System Electronic Paper Towel Dispenser which dispenses 100 rolls per battery set (78,000 25.4 cm towels). Tork PeakServe Automatic dispenses at least 500,000 paper hand towels per battery set using refill article 100585.
