

KNIFE SHARPENER SG2000

Art.-No.: SG2000EU (black)

4 good reasons:

- Perfect, reliable sharpening angles for 20° edges in professional use
- Always ultra-sharp knives & consistent results, with no prior knowledge needed
- Simple and safe operation thanks to elastomer angle guide
- Robust, removable sharpening module

Additional features:

- Suitable for a wide variety of knives, such as kitchen, hunting, outdoor or professional knives
- Long lasting diamond-coated, slow-running sharpening discs and ceramic honing discs prevent the knife from annealing
- Trizor-Plus™ - incomparable stable, arched-shaped edge structure with three facets - edges stay sharp up to three times longer
- EDGESELECT® - Adjustable knife sharpening for different tasks
- Maximum safety while sharpening without risk of injury
- Efficient, cost-effective sharpening with no time or effort required - fast and effortless sharpening
- Serrated knives can be resharpened in the last stage

Scope of delivery:

- Knife sharpener, sharpening module, instruction manual
