

## Softline 30 Floor Screen

Softline is a timelessly designed screen that absorbs noise effectively and creates a more pleasant soundscape. It is characterised by a design language of “little gestures” – like its rounded corners, which contribute to an inviting and friendly atmosphere.

Softline is highly compatible with other furnishings and blends in beautifully in most settings. To add a personal touch, you can choose from a wide range of colours.

**Responsible supply chains:** All stakeholders in the supply chain take social, environmental, and ethical responsibility.

Global program operator

### EPD

An EPD is available for the product. The EPD has been third-party reviewed and is published at EPD Norway. The results of the EPD shows that a Softline 30 Floor Screen 800x1500x30 releases 61.88 kg CO<sub>2e</sub> from Cradle-to-Gate. The full EPD, where the results of other variants of Softline 30 Floor Screen also can be seen, is available here: [EPD - Softline 30 Floor Screen](#).

### Acoustic facts

The impact of our acoustic products is presented at [acousticfacts.com](http://acousticfacts.com), where products can be compared in an objective way. This ensures that all technical data is accurate and meets international, European, and Swedish standards.

### **Abstracta's reuse service**

We offer a recycling service for our customers. This means that we collect used sound absorbers and other products for renovation, reuse or recycling. To facilitate circularity, our products consist of exchangeable parts, which simplifies repair, reuse and recycling. Contact our sales support team for more information.

5-year warranty and 10-year spare parts warranty.

### **Global Goals**

The UN Sustainable Development Goals are the basis of our environmental work. We focus on the five goals to which we can contribute most.

Goal # 3 – Good health and well-being

Goal # 5 – Gender equality

Goal # 8 – Decent work and economic growth

Goal # 12 – Responsible consumption and production

Goal # 15 – Life on land

### **Care instructions**

#### ***Fabric***

To maintain the color and appearance of the fabric, it should be vacuum cleaned regularly with a soft nozzle.

#### ***Stain Removal for Polyester:***

- Use colorless towel or a washcloth to absorb as much as possible of still-moist stain. Dried stains should be vacuumed.
- Wet the stain sparingly with a white pure cotton cloth, warm water and possibly a little pH-neutral cleaner.
- Dab the area with a dry cloth or colorless paper towel to absorb the moisture and stain.
- Repeat this process until the stain is gone.
- On the final repetition, use only clean water with no detergent added.
- Finish by dabbing up moisture with a dry cloth or paper towel.

#### ***Stain Removal for wool:***

Dab or wipe gently with a damp cloth.
